

Classroom News

Class Name: Skipton

Term: Term 3 2023-2024

Topic: Colours

What we have been doing this term:

This half term we have been looking at colour. In Maths we have been sorting coloured objects, finding out people's favourite colours and carrying out colour investigations. We have collected information in tally charts and some of us have been making pictograms. We have been practising counting in 1s and 5s to help us with counting our tallies. In English we have been reading *The Day the Crayons Quit* and *Sam's Sandwich*. We have looked at rhyming words and instructions. We have made sandwiches and toasted sandwiches in cooking to support our learning. We have been practising our life skills by visiting shops and buying ingredients for our cooking. In life lessons, we have looked at personal hygiene in particular hand washing, washing ourselves, teeth cleaning and the importance of wearing clean clothes. The children were really good at remembering how to brush their teeth and using the disclosing tablets to show the plaque. In swimming the children have been really enjoying their lessons with their swim teachers. In PE with Thomas, they have been practising early game skills of defending and following instructions. We have been focusing on our phonics, reading and handwriting this term and have really enjoyed our 'dough disco' sessions warming up our hands and strengthening our fingers ready to write. Have a lovely half term!

Karen, Helen, Penny and Jill

Some photos of us!
