Class Name: Colchester Term: Term 3 2023-2024 Topic: Through the Keyhole

## What we have been doing this term:

As always, we have been super busy in Colchester Class!  
We have been lucky enough to have Craig from The Berkshire Maestros teach us guitar on a Tuesday morning. We have been learning the chords for the song 'We Will Rock You.' We were also very lucky and enjoyed an amazing performance of Jack and the Beanstalk M&M productions.

We have been focusing on our everyday life skills and have had great success in learning to tie our shoelaces, making breakfast independently and cooking simple meals.

In adventure time, we have been making the most of the cold weather exploring ice and bubbles. AS well as exploring outdoors, we have spent time looking at shadows and how we can create our own shadow shows as part of our Science and Design Technology.

In English we have enjoyed the story In Every House, Down Every Street, we have been constructing descriptive rhyming sentences. We have had lots of fun playing 'spot the mistake,' this has been a great opportunity to practise our editing skills.

In Maths, our focus has been learning to tell the time. This has varied from embedding our daily routine and making difference of day and night to telling the time on an analogue clock and completing problem solving tasks regarding the time, date and days of the week. We loved the time challenges and we are proud to announce that Tia holds the record for tossing the hoop on to the cone, three times in thirty seconds!

## Some photos of us!

## Dates & Points to remember:

Monday 19<sup>th</sup> February-First day back after half term.

Thursday 28<sup>th</sup> March- Break up for Easter.

PE will continue to be on a Wednesday.
