Term : Summer 2 2017

Whole School Topic: By The Sea

A warm welcome to the final newsletter of this school year.

As yet another exciting term is coming to an end I like to reflect on all the amazing things that our pupils and staff have achieved over the past term.

We had National Sports Week and Sports days earlier in the term which saw all our pupils take part in a wide range of sporting events. It was great to see so many parents in attendance cheering their children on and joining in the spirit. It was clear that we have some really talented athletes amongst us.

We had a wonderful celebration of all things musical at our big school event at Victoria Park. "Picnic in the Park" was a fantastic success and saw many of our pupils perform to the school and also local onlookers. Everyone did themselves proud and we all had a great afternoon.

Our Post-16 Catering team have continued to cater for outside events and have been complimented on their amazing food. We are looking to grow even more next year – it is such a wonderful opportunity for our pupils to learn about how a business works and gives them excellent skills to use when entering the world of work.

Our wonderful "Sea" Horse, decorated by all our students, will be on display at Newbury Racecourse on Saturday 30<sup>th</sup> July. The event is free to everyone so please go along and support our entry and enjoy a day out with the family.

## Governors' News

My name is Averil Hewitt. I have recently become a governor at Castle school. Previously I was a governor in a mainstream primary school for 11 years, 5 of which I was Chair of Governors. I bring a lot of experience to the already well established Governing Board where I have been welcomed. I hope that I can help the pupils realise their dreams and gain independence so they can prosper in their own lives.
