OFSTED grade The Castle School as "Outstanding"

It is with great pleasure that I can tell you that The Castle School has been rated as "Outstanding" by the national education standards watchdog, OFSTED during the recent inspection on 7th and 8th October . This is an amazing achievement, particularly as the standards needed to achieve the outstanding rating have increased yet again this year. The rating of outstanding, gained in all areas, is down to tireless hard work, determination and skill of all our staff and pupils and celebrates all the wonderful things that we do at The Castle School. I would also like to recognise the brilliant support that we get from you, the parents and carers, which enables us to do our jobs so that we can deliver an outstanding educational experience to your children. We will have time after half-term to celebrate this incredible achievement; however we will now want to build on this to ensure that we continue to be at the cutting edge of education and to enable all our pupils to shine in whatever they do. The report is attached with this newsletter and I urge you to read it. For now, thank you and I look forward to an opportunity to celebrate with you in the coming weeks.
