

Classroom News

Class Name: Skipton

Term : Autumn 1 2019

Whole School Topic: Colours

What's been going on?

I can't believe that we are at the end of Autumn Term 1! Skipton Class have settled into new routines well and have impressed staff with their enthusiasm and positive attitudes towards learning. They have also shown that they are a very helpful and caring bunch! ☺

English

We have been looking at instructions. We looked closely at bossy imperative verbs and time conjunctions, and how to use them in our own instruction writing. We have created instructions for younger children to teach them how to make a sandwich.

Maths

We have been reading and writing numbers in numerals and words to twenty. We have also been identifying and representing numbers using objects and pictures.

Life Lessons

We have been talking about our emotions and discussing strategies we can use to help us calm down when our emotions are heightened.

Small Steps to Independence

We have learned how to make toast and sandwiches. Through doing this we have learned how to hold knives safely and developed our spreading and cutting skills. In addition to this, pupils have also been given class jobs (these change weekly).

Geography

We have been learning about weather. Skipton have enjoyed watching weather forecasts and presenting their own weather forecasts during role play. I'm sure we have some future weather presenters in the making!

Have a wonderful half term.

The Skipton Team ☺

Some photos of our learning

Dates & Points to remember :

- 12th November** – School Photographer
- 8th November** – Cinema Trip – Angry Birds
- 15th November** – Children in Need Non-Uniform Day
