

Classroom News

Class Name: Richmond

Term: Autumn 1 2019

Topic: Colours

What we have been learning this term:

We have had a good start to the term in Richmond class, enjoying our new topic of colours.

This term we have enjoyed a sensory colour story Planting a Rainbow, experiencing the sensory sights, sounds and colours in the garden.

During inclusion afternoon, we have experienced lots of activities with friends, like cornflour play, coloured ice play, rainbow water beads as well as many others.

The children have been working really hard on their Rebound skills this term, which is developing their physical skills whilst also offering a fun activity which brings smiles to their faces. Faye has done some fantastic rolling and pushing forwards over the peanut ball, Sahithi has done fantastic switching to request 'more please', Jude has been standing and bouncing with brilliant balance and control and Louie has been active and vocal as he enjoys the freedom of movement and bounce. Everyone has found it a great experience, including the staff.

Art with Renee has been a colourful encounter, with colour mixing, printing, mark-making and more. Everyone got involved, touching and exploring these colour activities.

Well done to everyone working so hard on their targets, Jude has even received a Head Teachers Award for his efforts.

This term has been a great one, with lots of fun learning experiences, we can't wait for the lead up to Christmas, with performance rehearsals before the big event. 😊

Some photos of us!

Dates & Points to remember:

Monday 4th November – First day back

Friday 29th November – Inset Day

Monday 2nd December – Christmas performance

Friday 20th December – Last day of term
