Class Name: Conway

Term : Summer 1 2019

What we have been learning

Some photos of our marvellous work this half term.

Such a sort but busy term!

This term we started our new topic all about the rainforest. We transformed our classroom into a jungle ready for our sensory learning and storytelling. The book we chose this term was *Rumble In The Jungle* by Giles Andreae and David Wojtowycz. Each week we worked on different activities relating to our story whilst keeping in traditions with a moody and dramatic call and response!

This term we have been attending forest school. It has been so lovely to see how well our guys learn and play in the outdoors and it's been a great opportunity! We are also very pleased with all of the great listening and how safe they have been during our morning trips.

This term also saw the start for rebound therapy, which is another wonderful opportunity that Conway class love! With our newly rebound therapy instructors, we will be able to have weekly slots of therapy on the trampoline!

Doesn't time fly! Have a great half term!

Conway ☺
