

# Classroom News

**Class Name:** Pembroke **Term:** Summer 1 2019

**Whole School Topic:** The Rainforest

## *What's been going on?*

Wow! This half term really has flown by! We can't believe that there is only one half term left until the end of the school year!

Pembroke Class have responded really well to our 'Rainforest topic'. They have enjoyed listening to the story of 'The Monkey Puzzle' by Julia Donaldson and 'Rumble in the Jungle' by Giles Andreae. The class have completed activities relating to the story during their English and topic lessons. Activities have involved: role playing parts of the story, using phonics to spell out the names of animals and reading and following text in books. They have also enjoyed making animals to go on our rainforest display.

In maths, we have been looking at addition and subtraction. The class are becoming more familiar with these terms and are a lot more confident with using objects to help them complete number sentences involving these operations.

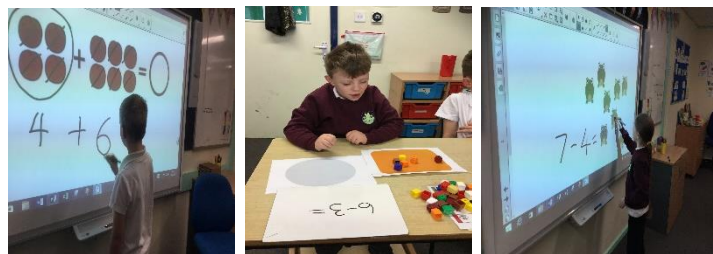

Our short visit to Snelsmore Common was a great success. The class loved using magnifying glasses to explore and closely observe their surroundings. They read and followed signs, studied animal footprints and even made a den. Next half term, we plan to go on more outings.

Please always remember that if you ever have any worries or concerns, please either write in your child's diary or speak to a member of the team. Things can often be resolved or put at rest far quicker.

We look forward to seeing you on Monday 3<sup>rd</sup> June.

*The Pembroke Team* 😊

## *Some photos of our learning*
