Class Name: Pendragon Term : Summer 1 2019

What we have been learning:

We are loving our 'Rainforest' topic this term and have been having lots of fun! It's been a very short term, but we've packed in lots of learning.

We have worked on our English skills through 'The Monkey Puzzle'. We have write news reports about the lost mum and our own mums. We have also written character descriptions about the animals in the book. We have been continuing on our English targets to develop our phonic skills.

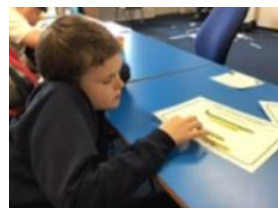

In Maths we have been working on measurement, particularly temperature, height and capacity. We all enjoyed playing with the water. We have also been continuing to work on number too.

We have been having fun cooking rainforest themed food! We've made rainforest animal biscuits, snake fruit kebabs (With melted chocolate - yum!) and snakes in mud!!! (Chocolate mousse, Oreos and strawberry laces)

In PSHE we have been focussing on ourselves. We have been looking at what's the same and difference about ourselves and others, teeth brushing (we are all becoming more independent) and what we like about ourselves. We also had great fun playing emotion skittles - knocking down all the negative emotions!

In Topic we have looked at the life cycle of a butterfly - we've linked it to our Monkey Puzzle story and why the butterfly didn't know who the monkey's mummy was! We have also looked at food chains and who eats who.

Some photos of our learning

Dates to remember:

Friday 24th May - End of term
Monday 3rd June - Back to school
Saturday 8th June - School Fete
Thursday 6th June - Year 8 immunisations
Thursday 27th June - Secondary sports morning
Monday July 22nd July - Class swapover afternoon
Wednesday 24th July - Last day of term!!!

How is this year nearly over?? Where has the time gone? We can't be on the run up to summer already!!

Special moments:

Everyone has been a star this year!

Angus - Angus is becoming more independent doing his morning work on his own - well done!

Jonny - Jonny is enjoying going to Boost group each morning. He also has been amazing at describing his emotions and why. Great understanding Jonny!

Leo - Leo's handwriting has developed this year, he is taking his time and it's so much quicker. Superstar!

Adam - Adam is able to read more and more words by sight - keep it up!

Stefan - Stefan is listening well to adults, and responding and saying more English. Awesome!

Louise - Louise was able to write on the iPad, using her phonic knowledge - WOW!

Emmy - Emmy has written her name independently, with the adults just saying the sounds rather than her copying underneath - Amazing!

Leah - Leah is working really hard on her handwriting and copying for a whiteboard rather than under text - Fab!
