

Classroom News

Class Name: Plympton

Term: Summer

What we have been learning this term:

Photos of our learning:

It's half-term already!

A highlight of this short term has been our inclusion, Guided Options (GO) afternoons. We have been working hard with students from other classes to make-over our garden and quad areas ready for the prom. So far, we have planned and budgeted our project, weeded the raised beds, painted benches (+ staff and ourselves), made some beautiful flower pots. All students have made a valuable contribution as the prom excitement builds.

In preparation for our afternoon tea party for parents, we have enjoyed deciding what to cook, shopping, writing invitations and baking. Our cheese straws were a triumph and our cupcakes were very elaborately decorated. We had a great afternoon so, as always, thank you for your support!

Moving on to the final term of the academic year, we have many exciting activities and trips planned. We are hoping for a visit to the seaside, outside sports and picnics. More information to follow.

Have a lovely holiday!
The Plympton Team

Monday 3rd June – First Day back term 6
Saturday 8th June – School fete
Wednesday 24th July – Last day of term

Plympton's WOW moments:

Thomas, we were all so impressed with your understanding of 'one' and 'lots' in Maths, which you could then apply in different contexts!

Finlay, you were fantastic at the tea party. You interacted and communicated really well with students and parents.

Ben, your participation and engagement during GO afternoons has been lovely to see. Your decorated plant pot is beautiful and will brighten the quad area!

Harry, it was a privilege to see you talking with other students about your weekend racing! The boys from Flint Class were very impressed.
