Class Name: Windsor Term : Summer 1 2019

Whole School Topic: Rainforests

What we have been learning

This term we have been keeping fit and challenging ourselves to try new equipment at outdoor gyms across Newbury. We have been talking to our peers and teachers about the equipment and have been getting better at remembering capital letters and full stops when we have been writing about our trips. We have been completing forms to show how much exercise we have been doing.

Ashton, from Post 16, has been helping us learn about recycling. Ashton has a recycling station at school where we can recycle bottle tops, crisp packets and used felt pens. We have made posters to advertise his project.

As part of our maths work, we have been sorting the recycling and making charts and patterns. (As well as practicing our money and number skills.)

Students have made great progress with their confidence in the water during our sessions at Northcroft.

We have worked very hard this term finishing off all our work for the Agricultural challenge.

We made a recycling cake, cheese biscuits and mango and coriander salsa and put the finishing touches to our collage, farm diaries and our scarecrow. We have worked well as a team. (See our special moments below for the results!)

Some photos of our learning

Have a lovely half term.

Special Moments:

We were extremely proud of all pupils for communicating so well with the judges at the Agricultural Challenge. Students spoke confidently about their work impressed the judges. Windsor Class achieved first place for their countryside collage and first place for their cheese biscuits and salsa and third prize overall. We will be voting on a trip to spend our prize money on and will let you know the details soon.

Come and see our work displayed at the fete on the 8th June. We will also have some coriander plants and our prize winning cheese biscuits to buy!

Dates & Points to remember :

Friday 24th May – End of term

Monday 3rd June – First day back and trip to Henwick Lane Park pm.

Monday 10th June – film at cinema and picnic lunch in Vicky Park. (Film to be confirmed.)
