Class Name: Cardiff Term : Spring Term 1 2020 Theme: My Wonderful Self

What we have been learning:

Some photos of our learning

## Forest School

We have been visiting our local forest school on a Wednesday morning. It has been all about mud, mud and more mud, which some of us have loved. The mud pit and mud kitchens have been a hit with the boys and Henry loved learning to climb the trees.

## Literacy

We have been reading the story 'Titch' in our Literacy lessons. We have used props and pictures from the story to retell it. We have followed instructions to make kites and plant seeds, like Titch does in the story and we have been mark making and writing too.

## Maths

We have been learning about measures in Maths. We have learnt about big, small, long, short, day and night.

## Magic Moments

Benjamin joining the rest of the class at forest school, a big achievement, and it was wonderful watching him giggle when playing with the silver space blanket during inclusion.  
Bobby was so enthusiastic when jumping in the muddy puddle at forest school. It made us smile!  
Henry and William were amazing together playing hide and seek with the toy animals at forest school. So lovely to watch.  
Taksheel has been great whilst on the trampoline, he said 'bounce' to make Averil bounce him.  
Charlie has been using the symbols for 'more' and 'stop' when on the trampoline.  
Matthew was brilliant in literacy. He wrote words to go with pictures from our story and looked at the wall displays to find the words he wanted to use. Amazing!  
Jim has loved our story book this term 'Titch' and it has been wonderful to watch him playing with the pictures from the story in discovery time.  
Marley has been amazing on the trampoline and has even learnt to sit on the trampoline with Averil. Well done everyone! You are all stars!

## Date to remember –

Back to school Monday 24<sup>th</sup> February
