

# Classroom News

**Class Name:** Chillingham

**Term :** Spring 1

What we have been learning:

Some photos of our learning

Hello Everyone,

This term our topic is Our Wonderful Selves. For this we have been exploring our emotions through circle time activities and using mirrors. We have been looking at different parts of our bodies and looking at x-ray pictures of our bones on the inside.

In Science we have continued the theme about our bodies by exploring our senses and in music we are moving different parts of our bodies and enjoying doing the Skeleton Dance.

We are really into our cooking on a Friday afternoon where we are learning to follow visual instructions. Our art has been based on two themes; one being the book we have been listening to 'Did You See Them Too?' and investigating history. We spent some time working together to create Roman mosaics of some of the characters in our story.

And of course, we still spend time everyday working on our communication, Maths and English skills.

Have a good half term,

From The Chillingham Team ☺

## Dates to remember:

Last day of this half term is Friday 14<sup>th</sup> February 2020

First day back is Monday 24<sup>th</sup> February 2020
