Class Name: Plympton

Summer 2 2021

Photos of our learning:

Just like that, the school year is finished! It may be the end of the year but things have been far from slowing down.

In Plympton, we have continued to enjoy our Functional Skills topic, exploring our local community to compare picnic areas. Each week, students had a focus, from facilities, accessibility and routes to wildlife. After visits to Greenham Common, Snelsmore Common, Wash Common Park and Thatcham Lakes, the lakes were unanimously agreed to be the best destination. With our decision made, we then invited Wallingford Class to join us for a picnic. It was a beautifully sunny day for a walk, feeding the ducks and ducklings and playing in the park. A lovely way to celebrate everyone's hard work.

We have also been very fortunate in accessing lots of out of class learning and activities. We all left Toby Carvery slightly too full, but lunch was delicious. We have loved being with everyone at Post-16 for cricket at Falkland Cricket Club with Nigel and are looking forward to prom and our end of year trip to Finkley Down Farm.

Thank you for your support this year and we wish you a wonderful summer holiday!
The Plympton Team

Final day of term – Tuesday 20th July 2021

First day of Term 1 – Friday 3rd September 2021

Plympton's WOW moments:

Ben, your engagement at the farm has been great to see. It was wonderful to see you so animated and excited when speaking to the ducks and other birds. You seemed truly happy.

Louise, the ownership you took over your tea party project was impressive. You decided to make an afternoon tea for your Mum and Laura, researched food, shopped, cooked, planned and delivered your goodies – great work!

Harry, your participation and progression in drama has been noted. From initially listening to the drama songs, to now confidently and clearly singing most of the words in context, has been great to see. Well done Harry.

Philip, you were brilliant at cricket. You demonstrated an awareness of the activities and rules with great independence. Your focus on the ball when batting was great, and you hit most of the balls thrown your way with style.
