

Classroom News

Class Name: Windsor

Term: Summer 2

2021

What we have been learning this term:

Windsor class had a fantastic time on our barge trip; We worked really hard as a team to drive the boat and open and close the locks. Everyone was able to communicate with the staff on the boat and could follow instructions well. Some of us were a little nervous before the trip, but once we got on, we all loved it. The teachers are very proud of us all! We have been visiting the Kennet and Avon canal in preparation of the trip. We learned that barges go really slow and are safe to ride on. We had the opportunity of opening and closing the swing bridge at West Mills too, so we knew what to expect when we were on the barge. We have been learning how to use forms, by writing Trip Advisor reviews about our trips. We gave the garden of the Granary building at West Mills (Ted Towers!) 5 stars. Ted, who lives there, let us open the swing bridge and showed us some fish in the canal. We have been writing about our trips, and have been using our phonics knowledge to spell words. We are getting better at remembering our capital letters and full stops.

In Maths, we have been learning to measure height and have been comparing using the words tallest and shortest. We hope that some of our sunflowers grow tall; please send us a picture if they do! Some of us are much taller than the teachers, which we are quite pleased about!

As well as a fabulous sports day, we have been learning to ride bikes in P.E and have been making our teachers proud (again!)

In PSHE, we have been learning how to look after our money safely; we have also been learning how to budget, save and spend our money wisely. We are very pleased with our new garden games, which we bought with are Agricultural Challenge money, and were even more pleased with our McDonalds lunch! We think we have worked very hard this year and deserved a special treat!

Thank you to all parents and carers for your support and hard work this year, both with home learning and supporting your children back into the classroom. We hope everyone has a great summer holiday and look forward to welcoming some students back in September (and some new faces too.) We know our year 11's will love being in Post 16 in September and we will look forward to seeing them when we visit Post 16.

Some photos of us!

Dates & Points to remember:

20th July – End of term (normal finish time)

1st and 2nd September – INSET days

3rd September – First day of term for pupils.
