

Classroom News

Class Name: Conway

Term: Summer 1 2021

Topic: Mini beasts

What we have been learning this term:

This half term, our topic has been Mini beasts.

For English, we have been focusing on a sensory story 'Super worm' by Julia Donaldson. We have also been working on our reading and writing skills by using pictures to choose which props we want to explore, matching pictures and building sentences with colourful semantics.

During maths this half term, we have focus on number. We have been exploring songs with props, such as '5 little speckled frogs' and working on counting and matching physical objects and pictures to their number. Some of us started to learn to add frogs together as well.

Conway have loved the return of rebound this half term- with lots of lovely opportunities to develop our physical and communication skills!

We had lots of different art/messy play sessions, focusing on different skills (such as using a hammer). Our lovely work is on display in the classroom for all to see!

Cooking is always a firm favourite in Conway! We have tried different fruits, made pizzas and fruit smoothies.

We have investigated the resonance board with Charles during our music lessons this half term. Lots of lovely tapping to the beat and feeling the vibrations on the board.

Attention bucket has been lots of fun with the 'mini beasts' theme. We have developed our focus and turn taking skills beautifully!

Well done for a fantastic half term! We hope you have a lovely break, and look forward to seeing every one next half term.

Some photos of us!

Dates & Points to remember:

Last day of term is Friday 28th May 2021
School starts back on Monday 7th June 2021
