

Classroom News

Class Name: Cardiff

Term : Summer 1 2021

What we have been learning

This term our topic is 'Minibeasts and might beasts'.

This half term we have been looking at the story 'Superworm'. We have been focusing on our communication by creating sentences, using symbols and words, about pictures from the story, using colourful semantics.

In Maths we have looked at, long and short, big and small and 2D shapes.

We have been back on the trampoline for Rebound Therapy, led by Sarah and Kate. Everyone has loved their sessions and worked hard.

In Bucket we have had sessions focused on different minibeasts and numbers. Shaving foam splat was a huge hit especially when everyone got covered in it!

Magic Moments

Everyone has worked hard this half term but we have been particularly proud of; How hard Theo and Henry have worked in their speech therapy sessions with Lois and Lorraine.

The amazing newspaper front cover that Matthew created independently in Discovery.

How hard Bobby has been working on using core communication boards to tell us what he wants.

Next half term we will be focusing on 'Mighty beasts' and the story 'Handa's surprise'

Dates to remember-

Term starts Monday 7th June.

Term ends – Tuesday 20th July
