

Classroom News

Class Name: Skipton

Term: Autumn 1

Topic: Rainforest

What we have been learning this term:

It has been such a busy and wonderful first term back to school. We have spent lots of time getting to know each other and build relationships in the classroom.

In English we have been exploring the story 'Megamonster' by David Walliams. We have listened to half of the book, answering questions on what has been read, sequencing pictures from different chapters, exploring disgusting foods and writing adjectives around them, listening to descriptions and drawing pictures of characters from the story and designing our own character!

In Maths we have been focusing on number, recognising and writing numerals, ordering numbers, counting objects and objects in pictures and comparing numbers using $<$, $>$ and $=$.

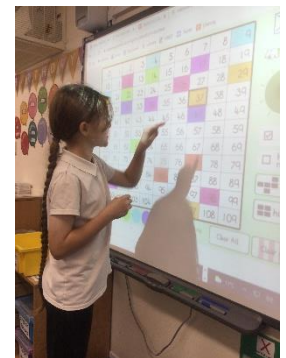

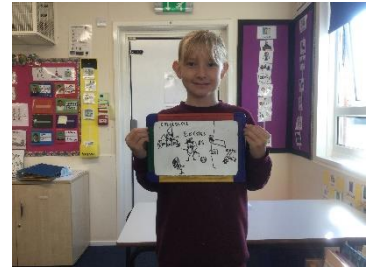

We have also started our off-site horse riding trips which everyone has thoroughly enjoyed and it's lovely to see how confident everyone is on the horses and how well Skipton Class have been following instructions!

In science we have been exploring plants, we dissected a plant to find the different parts and used symbols to label them. We then discussed what role each part of the plant had. We have also begun a comparative experiment to see the impact that light and water have on growing plants!

It has been such a pleasure getting to know everyone over the last term and we look forward to a very busy and exciting term up to Christmas! We wish you all a very lovely half term.

- Kate & The Skipton Team

Some photos of us!

Dates & Points to remember:

Last day of half term: 22nd October.

First day back: 1st November

School photographer: 2nd November

Into Film Festival (Jungle Cruise): 18th November

Christmas Lunch: 15th December

Last day of term: Friday 17th December
