

# Classroom News

Class Name: Pembroke

Term: Autumn 1 2021

Topic: My Wonderful Self

## What we have been learning this term:

Well what a busy half term we have had in Pembroke class!

Our topic this term was 'All about me'. We have focused lots on our emotions and communicating how we are feeling through our story 'The Colour Monster'.

In English, we have been working on matching the sounds/pictures of people crying and laughing, etc. to their emotions. We have also been using colourful semantics to form sentences describing who is in the picture, what they are doing, what with and where. We even now have a colourful semantics board in the classroom, which we have loved using to comment on what staff and our friends are doing!

In maths this term, we have been focusing on size (mainly tall and short). We spent time measuring each other and deciding who was tall, short and medium height in our groups.

Bucket has of course been a highlight of the term, lots of lovely focus and communication during these sessions!

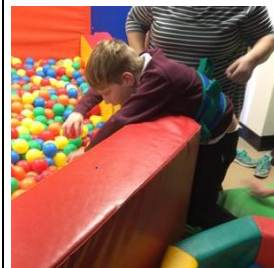

It has been great to get back to Forest school, with lots of lovely role-playing (pretending to be wizards on sticks) and making things like bird feeders.

Soft play is back! We have loved burning off some energy and working on our gross motor skills.

Of course, cooking is a firm favourite. We have enjoyed making faces with different ingredients (e.g. wraps and vegetables).

Have a wonderful half term everyone!

## Some photos of us!

## Dates & Points to remember:

Last day of term – 22<sup>nd</sup> Oct

Start of term – 1<sup>st</sup> Nov

Individual school photos- 2nd November
