

# Classroom News

Class Name: Pembroke

Term: Autumn 1

2020

## What we have been learning this term:

What a busy first term here in Pembroke class! We have all come back to school ready to go and eager to learn our class routines. We welcomed new members to our class – Jude, Faye and Yolanda and we are enjoying spending time with our new friends and old.

We have enjoyed our autumn topic by going on lots of autumn walks around school. We even made it to Donnington Park where we looked for Percy the Park Keeper's hut!

We have enjoyed lots of autumn sensory stories and written letters and invitations to our friends in other bubbles telling them what we have been doing in Pembroke and even inviting them to a Zoom wake up shake session. In maths we have been looking at repeated patterns using different colour leaves and ordering objects from biggest to smallest.

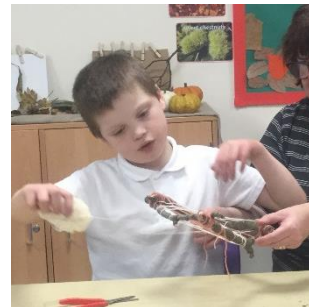

We have been a creative bunch getting messy with lots of art and sensory activities this term. We have printed with sponges, hands and feet, broccoli and apples to explore the effects that they make. We have made nature weaving frames which we enjoyed filling with autumn leaves and feathers on one of our walks.

Our Friday cooking sessions have been a big hit and something the children look forward to all week. They have been practicing their independence skills by making their own toast, sandwiches and pizzas and trying the food that they have made.

One of our favourite part of the day for all of Pembroke class is most definitely our energetic Wake up Shake up session or our sensory circuits in the hall. We love being an active bunch!

Have a lovely half term!  
Pembroke class team
