

Classroom News

Class Name: **Oxford**

Term: Autumn 1

2020

What we have been learning this term:

Castles

We've had a fantastic half term learning about castles. We have been looking at different castles and learning about what defensive features they need to protect them from attacks. We went on a walk to Donnington Castle to have a look at what features still remained there and look at the area it was built in. This visit inspired us to write spooky ghost stories and to find out more about the people who would have worked in a castle in the 13th century. We used newspaper and Modroc to make our model to go in our castle.

In the kitchen

We have been busy practising our grating and chopping skills to make individual pitta pizzas as well as making an apple crumble from scratch using cooking apples from our ta Jac's garden!

PE

We've been making the most having the new running track in our bubble and using it to get our step count up in the morning. Averil has been teaching us how to jump hurdles as well as getting faster at relay races.

Some photos of our learning

Dates & Points to remember:

- Monday 2nd November 2020 – Start of next term
- Friday 18th December 2020 – Last day of term
