Class Name: Tiverton

Term: Autumn 1

2020

## What we have been learning this term:

Everyone in Tiverton class has settled back into class and working really hard.

At the beginning of term we talked about our feelings and emotions. Focusing on how we were feeling during lockdown and coming back to school. We have reconnected with our friends and teachers through discussions, inclusion and group games.

Tiverton have taken on the responsibility as part of our green bubble community to look after the school library. This at times has been challenging but we all feel very proud having kept it clean and tidy.

In drama we have been reading and learning about the morals of Aesop's Fables. First we made masks and then practised acting out "The boy who cried wolf", Alex was our narrator.

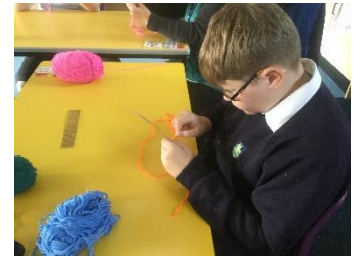

As part of The Recovery Curriculum we have well-being and sensory time which has included sewing a book mark and making an Autumn stained glass window.

P.E has been great fun playing skittles, New Age Curling, football, and relay races.

Music for Autism was a virtual assembly, everyone joined in by dancing and clapping hands.

So as you can see we have been very busy learning and having fun!
