Class Name: Chillingham

Term: Autumn 1

2020

What we have been learning this term:

This term has been all about the children building relationships with the adults they are working with and getting back into the school routine. We have two new children in the class and two new adults too. The adults and children have spent lots of time getting to know each other so that the children feel safe in school. This has been done through intensive interaction, sensory activities and giving the children lots of activities we know they will like and joining in with them during these.

The children have also been getting back into the routine of going to their workstation to complete workbook tasks. To begin with these were tasks we knew they could do and liked to do. As the term has gone on we have been able to change some of these tasks to have more of a learning focus.

Each afternoon after lunch we have a sensory activity; the activities are different everyday but repeat each week. The children have enjoyed a range of wet and dry sensory materials, food tasting and exploration, exploring different smells and exploring bubbles.

Some photos of our learning

Dates & Points to remember:

- Monday 2nd November 2020 – Start of next term
- Friday 18th December 2020 – Last day of term
