

Classroom News

Class Name: Flint

Term: Spring 2

2021

What we have been learning this term:

It has been wonderful to see everybody back in Flint Class after what seemed like such a long time!

We got straight back into cooking ourselves a lunch on Monday and it was great to see the students work on lots of different components for a range of recipes. We have cooked Pizza Pies and a homemade Nandos – delicious!

On Thursday afternoons, we have worked on an online ICT course. It has been an informative course that has allowed each student to hone their ICT skills and gain a certificate for any future training/employment.

On Tuesday afternoons, we have dedicated our time to do individualised projects. Each member of Flint class has chosen a subject that they are passionate about, researched information and presented the information in their own unique way.

In the last week, we have started to prepare our class café for Friday mornings. We have been busy planning what we will bake and working out how to break even when buying ingredients!

Have a great Easter!!
