

Classroom News

Class Name: Pendragon Term : Autumn 1

What we have been learning:

We have all settled beautifully this term into life in Pendragon and everyone is making us really proud.

We have been using 'The Tiger Who Came to Tea' as the hook for all our learning in both English and Maths and have all had great fun!

The tiger came and made a mess of our classroom over night!! He then brought his friends with him, who were caught on video running all around the room! He then made his friends come back and sit nicely to tell them how they should be behaving! He then has asked if he can come to a tea party so we have been busy planning it!

In Maths we have been focussing mainly on number – counting, adding, taking away, multiplying and dividing. We have also worked on positional language and data handling.

In Topic we have been learning about Fairtrade and food miles (which we also linked to our Maths).

In PSHE we have been focussing on relationships, including friends and families as well as focussing on appropriate ways to greet others.

Some photos of our learning

Dates to remember:

- 19th October – End of term and school photo day
- 30th October – Back to school
- 30th November – INSET day
- 3rd December – Panto coming in
- 13th December – Christmas service at St Mary's
- 20th December – Last day of term

Special moments:

Everyone has been a star this year!

Angus – Seeing Angus work freely with lots of different adults and being more independent in his learning.

Jonny – AMAZING Maths all term, with masses of progress! Also, Jonny's beautiful singing at harvest.

Leo – Leo is talking lots with us and has made some lovely relationships, especially with the girls!!

Adam – Adam had grown up so much and is kind and helpful to the younger pupils. He is always making us laugh!

Stefan – Seeing how settled Stefan is, he's spending so much more time in class learning.

Louise – Louise is one determined young lady and doesn't let anything phase her!

Emmy- Emmy has been a star and loving doing her Maths with 'sholly' her doll.

Leah – Leah is really kind and helpful to the other girls and is a positive role model.
