Class Name: Dover Term: Autumn term 1 Whole School Topic: What's on our plate?

Some photos of our learning

What's been going on in class

In Dover class for English we are reading the book 'Charlie and the chocolate factory'. Through this we have explored different types of poetry, resulting in acrostic Harvest poems which a few of us read out during the Harvest Festival celebration! We have also been exploring letter writing and have been trying to persuade Mr Wonka to hire us as chocolate factory managers!

In Maths we have been learning about fractions, measuring, 3D shape and giving directions. We enjoyed exploring lots of different measuring tools and using them to measure items around the school site.

In science we have been looking at food and the different food groups, making a presentation about what they are and why they are important.

We have also been practising our ball skills in PE and played games of netball, explored patterns in art and created a clay plate during our DT lessons. In cooking, we have been following instructions to create different items including beans on toast, pizza, rock cakes and banana muffins.

Dates & Points to remember :

**Tuesday 30<sup>th</sup> October** - Start of term

**Wednesday 14<sup>th</sup> November** – Cinema trip

**Friday 16<sup>th</sup> November** – Children in Need – non-school uniform day
