Class Name: Conway **Term:** Autumn 2 2018 **Whole School Topic:** What's on your plate

What's been going on

This term we've looked at two different stories. Tied into this term's topic, we've been learning from the book *The Enormous Turnip*, where we used our call and response and our sensory stories to learn, share and contribute to the telling of the story. Our sessions this term have included a role playing segment, putting the student in the position of the characters, which has been lovely to see everyone get involved with. Following this story, we've also been reading *The Best Christmas Gift Ever*, where we've included all the different elements of Christmas and explored them each week as a class.

Heading towards the festive break, we enjoyed a pantomime 'The Beauty and The Beast', where Conway had front row seats. A great production, we were lucky enough to have in our own school hall!

We had a wonderful Christmas service at St Mary's church. It was a delight to bring Conway and celebrate with everyone. After the service we came back to school for our Christmas dinner, which was another lovely way to celebrate as a class.

Monday 17th will be our last RDA of the year, and we will be celebrating with a Christmas party with all the volunteers and maybe even a visit from a festive legend...

Enjoy your break and have a great Christmas,

Conway Class 😊

Some photos of our learning

Dates & Points to remember:

- **Tuesday 8th January- Start of term**
- **Friday 15th February- Last day of term.**
