

# Classroom News

**Class Name:** Pembroke **Term:** Spring 3 2019 **Whole School Topic:** On the Move

## *What's been going on*

This half term, our lessons have been based around our transport topic, On the Move.

In English, we have been taking a closer look at trains, helicopters and monster trucks. We have watched clips and read lots of information books. The class have been working extremely hard on their handwriting and have labelled diagrams to show the different parts of these modes of transport.

In maths, we have mainly been looking at properties of shapes. The class started off by matching, naming and making 2D shapes and then moved onto investigating 3D shapes by rolling and sliding them. It has been lovely to see everyone becoming a lot more aware of the shapes around them.

PE is a lesson that Pembroke Class always look forward to. This half term, they have been developing their football and hockey skills whilst moving around on scooter boards!!! This has required a lot of concentration and has really tested their core strength!

Impressive progress has been made by all at riding! Those who disliked riding before are now a lot more enthusiastic about their lessons! Some children are even trotting around the paddock independently!

Please always remember that if you ever have any worries or concerns, please either write in your child's diary or speak to a member of the team. Things can often be resolved or put at rest far quicker.

Have a wonderful half term,

*The Pembroke Team* 😊
