Class Name: Cardiff Term: Spring 2019

Whole School Topic: On the move

## What we have been learning

This term we have started a new whole school topic, On the move. In English we began the topic by looking at non-fiction books about different types of transport. We talked about the difference between words and pictures and how to use books. We are now reading the book 'ducks day out'. The children have been using props to act out the story and have even planned their own version of the story that we will write this week.

In maths we have been focusing on number. We have been practicing our counting by using cars, boats and trains. We have also been using the words more and less to change how many objects we may have.

This term also sees the start of our trips to the forest. The children are able to: dig in mud, splash in muddles, climb trees, look for worms, use tools and learn about how to stay safe. The cold weather has also given the children a chance to explore ice.

## Special Moments:

Leo – such a super helper who is always kind to his friends  
Benjamin – has worked hard to join the class in drama  
Jamie – being fab at 'stop, look, listen and think' during road safety lessons  
Tony – Using a variety of toys in discovery time.  
Matthew – learning how to accept mud on his hands at the forest.  
Jack – using his communication book to talk to adults  
Bobby – for learning how to ask for help using Makaton  
Marley – amazing 1:1 matching in maths

## Dates & Points to remember :

Friday 15<sup>th</sup> February – Last day of term  
Monday 25<sup>th</sup> February – First day of term.
