

# Classroom News

Class Name: Conway

Term : Spring 1

What we have been learning

Some photos of our marvellous work this half term.

Another busy term in Conway.

This term we have continued with our horse riding and it has been lovely to see the progress and also hear from the instructors on how well they have done!

Also this term, we have been learning the story *We All Go Travelling By*. We have combined all the previous methods of learning to retell this musical story in as many ways possible. Including call and response, singing with instruments, sequencing and switch work, our class have enjoyed retelling and contributing to the songs and different verses. We even found a big bike to ride!

Our food tasting sessions still continue, since September we've studied and looked at over 80 different foods and we continue to work on exploring different textures, smells, flavour and also the communication behind eating.

A big highlight this term has been the progress in interactions and communication in Conway class, with great contributions to everyday lessons and also lessons like art, P.E and inclusion, where we've worked alongside other classes to play and take the opportunity to make friends.

We hope you have a great break, see you next term!

Conway Class Team ☺
