

Classroom News

Class Name: Plympton

Term: 3

What we have been learning this term:

Photos of our learning:

What a busy term we have had in Plympton Class!

Following our fundraiser to provide provisions for The Soup Kitchen in Newbury, we are now in the process of choosing and purchasing items requested by the charity, which we will take to them soon. We would like to thank everybody for their continued support in our project, in which over £180.00 was raised.

We would also like to thank Windsor and Wallingford classes for a wonderful afternoon of eating soup, cake and hot chocolate at Growing2Gether. It was lovely to share all of our hard work at the allotment and the plans to come.

Accessing a variety of activities within the community is a great focus within our curriculum. Visiting different shops, cafes and leisure environments has been especially beneficial in practising communication. It has been fantastic to see students practically applying their developing communication skills and tools for talking, from ordering treats in Starbucks to recognising the shopping needed to cook.

We hope you have a lovely half-term!
The Plympton Team

Key Dates

Last day of Term 3: Friday 15th February

First day of Term 4: Monday 25th February

Farm/ RDA begins: Tuesday 26th February

Plympton's WOW moments:

Thomas, you have responded brilliantly to strategies to support your self-regulation and at times, have used these independently without prompting! Well done Thomas.

Finlay, the way you have transitioned back to school after your Christmas break has been excellent. You have settled into the classroom routines and have been generally super.

Ben, we have loved the way that you have engaged and used your new communication book to request and initiate conversations across different settings!

Harry, you have impressed staff and peers across Post-16 with your swimming talents and fantastic interaction with students from all classes during swimming sessions.
