

# Classroom News

Class Name: Skipton

Term: Spring 3

Topic: On the Move!

## What we have been learning this term:

**We are loving our new topic 'On the Move', here is just a snippet of our learning:**

**English:** Who knew that 'Bob' the class bus could get into so much trouble? We have become Police Inspectors and had to ask 'Bob' questions to establish his whereabouts? We even interviewed Becki and Gian on reception!

**Maths:** We went on a 2D and 3D shape around school and were amazed when we found not only a 'Triangular Prism' but an 'Octagonal Prism' too.

**History:** We have learnt all about the 'Viking Long-Boats, the first flight, 'George Stephenson's' locomotive, Henry Ford and so much more...

**Science:** Circuit, Conductors and Insulators! We all made our own circuits and tested different materials and learnt the name of the equipment needed for a circuit.

**Life Lessons:** Our Road Safety Skills have been tested, we were very surprised, when Jo taught us about the correct side we had to get out of the car and so were our Downe House students!

### Skipton's Magic Moments

**Bobbi:** We are so impressed, you have your hand up to answer questions all the time!

**Ethan:** Well done for remembering the name of different 2D and 3D shapes, some of them are so tricky!

**Alex:** Wow, we couldn't believe how quickly you could program the B-Bots and make an electrical circuit, super speedy!

**Harvey:** Thank you for stepping in to help with the maths lessons, it has been wonderful to see how confident you are!

**Joe:** You always have your hand up ready to answer questions, but remember to give your friends a chance too – thank you!

**Christian:** You are the maestro of giving clear and accurate directions, remembering left, right, above, next to, between and more...

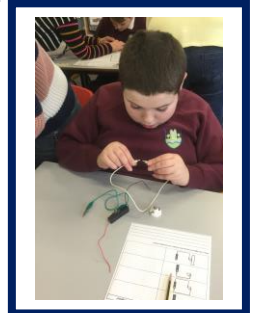

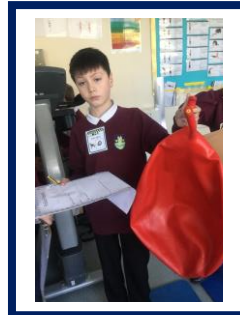

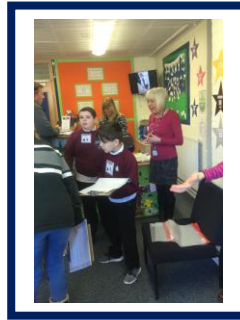

**Connor:** Your confidence in talking aloud has shone this term and I was blown away with how you shared your work with Jon!

**Amber:** Look at your handwriting now it is beautiful, you take your time and are proud of your own efforts, which is amazing!

**Kurt:** What a story writer you are! You have such an incredible imagination and this has been shown in your 'Bob the Bus's stories!

**Dante:** You are so observant and we think it is amazing that you notice things and never stop asking questions. You always want to know more!

## Some photos of us!

**We have had another wonderful term in Skipton, enjoying our new topic and look forward to continuing next term too!**
