Class Name: Conway

Term : Spring 2 2019

What we have been learning

Some photos of our marvellous work this half term.

This term Conway has explored stories linking to our termly topic. This half term we have been learning 'The Journey Home From Grampa's', where each week we have chosen a verse to bring to life. Using giant shiny railway tracks to run vehicles down, big class water play for the blue barges. Each week we have chosen something different from our story and participated in a very messy and sensory style!

We have continued with our Wednesday morning food tasting and it's been wonderful to see just how much we are talking about food and how brave we have all been at smelling tasting and touching new and favourite foods!

Pancake day was a big hit this term and we all had a chance to mix, make and flip the pancakes from the pan. We even had a competition to see who could flip the highest pancake (trying to avoid the ceiling).

Now that the weather is getting better, we are trying to do a little more outside each week and bring our communication and play skills to the outside. We've had some lovely 1:1 learning times outside so far this term, and it's been great to see everyone joining in, trying new things and working together!

Have a fabulous Easter

Conway Class Team ☺
