

# Classroom News

Class Name: Wallingford

Term : Spring Term 2 2019

## What we have been learning

This term has seemed to have whizzed by. The Wallingford students' enthusiasm, commitment to learning, and general fabulous attitude, has impressed all the team. Our term has been full to the brim with so many things to talk about, so I have picked out just a few. Our outdoor and environmental learning has dominated our term really. At Growing2Gether, the students have begun sowing onions, carrots, cut flowers, sunflowers and potatoes. The soil is beautiful now, and that is down to our students' hard work over the last few years.

Abi, Brandon and Ricky have also worked incredibly hard at Rushall Farm caring for the new lambs, and cleaning out the pens.

Ashton has been working each week in gathering information about recycling, and how we as a Post 16 unit can promote this. He has developed a recycling point for things like crisp packets, pens and plastic bottle tops that cannot be recycled at the kerbside, and has found a charity called Teracycle that will recycle them. In turn it can earn the school money too. Well done Ashton and Judi for your initiative.

Wallingford students have really grown together this term and each day we see heart-warming care exhibited between them all.

## Special moments

Brandon, Ricky and Naomi have been a superb carpentry team, and have made a number of frames to protect our crops from rabbits. So far, fingers crossed, the rabbits have been deterred.

Abi, Naomi, Esme and Ashton make a brilliant cooking team, and have become so independent and skilful. They have made some delicious snacks to eat and share. The chocolate and peanut butter cream biscuits were a particular favourite.

Esme taught us all to make authentic Thai curry that she learned to make after a recent visit to Thailand. It was utterly delicious, and Esme made a wonderful teacher

## Some photos of our learning

## Ashton's Recycling Extravaganza

Ashton delivered an assembly to Key Stage 3 and 4 about his recycling initiative, with the hope that it will be extended throughout the whole school.

Happy Easter to everyone.  
Back to school on Tuesday 23<sup>rd</sup> April.
