

Classroom News

Class Name: Plympton

Term: Spring 2

What we have been learning this term:

It's Easter and unbelievably, we are half way through the year!

In Plympton Class, we have been working hard to practise the skills we continue to develop across as many settings as we can. We have been out and about lots and have enjoyed a variety of activities including RDA, swimming, shopping, walks, music, café visits and other exciting things in our local community.

With Spring well on the way, it has been great to see the changes in our allotment spaces at Growing2Gether. Over recent months, we have spent time preparing our beds, creating composting bins and planting bulbs and seeds. We were very pleased to see the shoots of some of the vegetables and flowers, despite a pesky rabbit sneaking under the netting and going for a dig!

As we look forwards to next term, we have many things to look forward to. We have decided that our next mini-project will be to organise an afternoon tea for parents and friends to attend. It would be lovely to see as many people as possible to celebrate our hard work and eat cake! Details to follow.

Wishing you a wonderful Easter.
The Plympton Team

Photos of our learning:

Tuesday 23rd April - First Day of Term 5
 Monday 6th – May Bank Holiday
 Friday 24th May – Last Day of Term 5
 Monday 3rd June – First Day back term 6

Plympton's WOW moments:

Thomas, we have loved you swimming with us this term and seeing you have such a fantastic time!

Finlay, the way you continued to grow in your independence has been really impressive, from finding an adult to give your coat, to showing increased acceptance during teeth brushing.

Ben, you have been a budding master chef and show great skill in the kitchen with increasing independence.

Harry, you have been working really hard at Growing2Gether. It has been fantastic seeing you working with lots of different students and communicating beautifully.
