

# Classroom News

Class Name: Oxford Term : Spring Term 2 2019

What we have been learning:

## English

In English we have been focusing on stories. We have used the cartoon 'Wacky Races' as inspiration. We have been learning about characters and how to write character descriptions. We have designed new character and vehicles and written stories about their adventures in Wacky Races.

## Science

We had Science Week. We had a visit from a scientist. He taught us how to make slime and we got to touch the plasma ball. Ethan said 'It made my hair go up when I touched it.'

We also worked with Windsor Class to explore a range of science investigations. We really enjoyed using salt to make string freeze onto an ice-cube and creating our own lava lamps.

## Enterprise

We planned, organised and ran an enterprise event. We decided to take orders for toasted sandwiches and baguettes from the staff around school. We advertised the event and collected orders. On the day we bought and prepared all the ingredients and made the sandwiches. We had some lovely feedback on our food from our customers.

## Foodwise

We have been learning about entertaining and this term we made party food. Becky and Madison were amazing using the self-scan checkout at the supermarket to pay for the ingredients. The mini Cornish pasties were a huge hit! We also made (lots) of pancakes whilst we were developing our independence! Madison definitely won the prize for being the most confident pancake flipper.

## Magic Moments

Becky has started a work experience placement with Balmoral Class at RDA. She is doing amazingly.

## **Date to remember –**

**Tuesday 23<sup>rd</sup> April** - Start of term

**Monday 6<sup>th</sup> May** – Bank holiday, NO SCHOOL

**Wednesday 15<sup>th</sup> May** – SAP parents evening

**Friday 24<sup>th</sup> May** – Last day of term
