

# Classroom News

Class Name: Colchester

Term : Spring 2 2019

Whole School Topic: On the Move

## What we have been learning

We have had the opportunity to try lots of different sports this term, thanks to our P.E. teacher Averil. Pupils especially enjoyed Modern Pentathlon and also found learning to move on the Scooter Boards challenging, but exciting.

Go Afternoons have been varied and lots of fun across the school, from swimming to signing to gardening projects at Growing Together in Kingsclere.

Pupils have been practising Life Skills this term, from making a hot drink to making beds. Everyone has joined in and some children are even helping out with these skills at home, which is fantastic.

We have been enjoying the story, The Railway Children this term and pupils have worked hard on character profiles, book cover designs and book reviews.

Science Week was an exciting opportunity to attend science workshops for some hands-on experimenting. Coloured goo was especially popular as well as a special assembly where the audience got to join in.

In Maths, we have been learning to find, collect and present information in different charts and graphs. We have been asking and answering questions and working with others. Well done everyone.

## Some photos of our learning

## Special Moments:

We have been practising our table manners and will be celebrating this with an end of term meal at Toby Carvery. We wish everyone a happy Easter break.

## Dates & Points to remember :

Last day of term: Friday 5<sup>th</sup> April 2019

Return to school: Tuesday 23<sup>rd</sup> April 2019
