

Classroom News

Class Name: Skipton

Term: Spring 2 2019

Topic: On the Move!

What we have been learning this term:

So what have we been up to:

English: We have been on a train ride through our story this term and have used our imaginations to think how it would feel travelling on a train and what we might see?

Maths: Time and money for us this term. We learnt to tell the time to o'clock and half-past, order coins and notes and found the coins to make a total too.

Geography: We have now mastered and so have the adults naming the 7 continents and 5 oceans of the world and then locating them on a map.

Football: This term we have been very lucky to have had football coaching from Craig from Reading Football Club, you should see our dribbling skills!

Life Lessons: Emotions and feelings have been our focus this term, learning to understand that we all show a range of emotions and that it is good to know how they make us feel.

Skipton's Magic Moments

Katie: You have settled so well into Skipton, making lots of friends and working hard every day – well done!

Bobbi: Thank you for always welcoming the adults with a cheery good-morning each day. It certainly makes us smile!

Ethan: Your sentence writing has really improved, so many great ideas and remembering finger-spaces too, wow!

Alex: You are always there to make sure your friends are okay, offering to help them if they are sad or struggling - thank-you!

Harvey: What would I do without you helping me in maths, you are, as you say my Maths Genius!

Joe: In our Life-Lessons Joe, you could show everyone how the different emotions would look and how they make us feel, great acting skills!

Christian: You are so brave with your spelling, trying hard each day with your phonics and spelling words on your own. We are so proud!

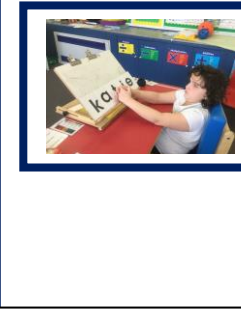

Connor: Thank you for helping me, show everyone in the class the different activities and then making sure they all got it right!

Amber: You are so fast and you have shone in football this term, you have great control and shooting skills!

Kurt: Again your knowledge of trains has been astonishing, who knew there were so many stations!

Dante: You have the most amazing imagination, your sentences in English, have blown me away!

Some photos of us!

Just look at the photos of us from when the lady and gentlemen from the Pentathlon team were in and when we enjoyed Volley Ball. Look at Katie spelling her name too, amazing!
