

# Classroom News

Class Name: Pendragon Term : Summer 2 2019

## What we have been learning:

## Some photos of our learning

It's been a busy term with lots of fun, but still lots of learning!

We have worked on 'Rumble in the Jungle' in English – acting out the story and creating our own riddles and rhymes. We have also continued to work on our phonic skills and everyone made progress in their phonics assessment, which is amazing and shows all the hard work they have put in this year.

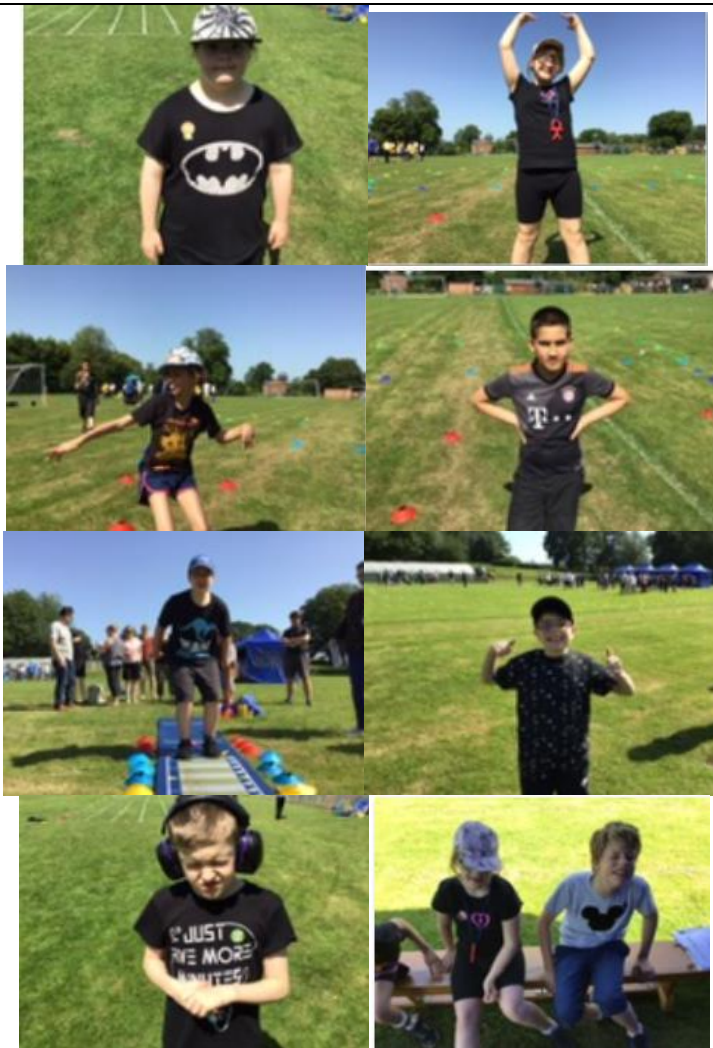

In Maths we have continued to consolidate our learning of number and it has been great to see pupils become increasingly more confident over time. We have also worked on position and direction.

We have worked on keeping our bodies healthy in PSHE – including the food we eat, how important it is to brush our teeth and wash our hands properly and to use deodorant as we are all growing up fast!!

In Science and Geography we have enjoyed learning more about the rainforest.

We all thoroughly enjoyed sports day and it was great to see so many parents come and support. Everyone made me incredibly proud – behaviour was impeccable and everyone gave it their all and tried their hardest!

Sadly we will be saying goodbye to Angus and Adam as they move onto Windsor Class. Thankyou for all the hard work you have both put in over the last 2 years in Pendragon and we wish you every success in your new class – you will be missed!

## Dates to remember:

Wednesday 24<sup>th</sup> July – End of term  
Wednesday 4<sup>th</sup> September – Back to school

## Special moments:

There have been so many magic moments this year. Everyone has come on leaps and bounds – making progress in all areas of their learning as well as developing their independence and self-help skills. I genuinely could not be more proud of this years 'dragons' – you have surpassed my expectations. It has been a huge pleasure to be part of everyone's journey this year and all that has been achieved.

Thankyou so much so all your support to make the magic happen – we couldn't have done it without you! I hope you have an amazing break full of fun and happiness and I'll see 6 of you back in September for an exciting year ahead!
