

Classroom News

Class Name: Dover

Term : Summer 2 2019

Whole School Topic: Rainforests

What we have been learning

Photos of our learning

This last term, Dover Class have made all of the staff so proud with their work and off-site in the community. It has been a wonderful end to the year and I wish you all lots of luck in the next year at Castle School!

Thank you all for an amazing year! Kate

Sports Day

Everyone worked fantastically as a team, supporting each other through all events including the races! Big shout outs to Ryan and Amy who topped our points leader board and ran amazingly in the races and the relay.

Ice cream sales

This term we been selling ice creams to staff and Secondary House to raise money to help fund our activity week. Dover Class worked hard from the get go, researching and tallying results from around the school to find out what would sell well, making posters to advertise the sale, taking money and serving ice creams!

Activity Week

For our first trip we went to Beale Park, everyone enjoyed seeing all the animals, particularly the owls, going on the train ride around the park but most importantly playing in the splash park! We also went to Paulton's Park which everyone loved, going on all of the different rides which was incredibly brave! We were also able to go to Lydiard Park and Pizza Hut where everyone had an amazing time.

Special Moments:

To celebrate our work with Priors Court School, Dover Class wrote fantastic 'Thank you' letters and created a picture book to give to the staff that supported our collaboration!
