

# Classroom News

**Class Name:** Swansea **Term:** Summer 2 2019 **Whole School Topic:** The Living Rainforest

## What we have been learning

We have had a lovely final term of the year in Swansea Class. As always we have lots of fun and we have been very busy!

We have continued to engage in our sensory story every week. We have loved roaming in the rainforest together. We have been using a range of different mark making tools to recreate our own versions of the story. Our completed books will be coming home soon!

We have been working on making choices and showing preferences through our senses. Each week we have had two different sensory experiences for each sense. We have seen some wonderful progress during these sessions and we have tasted lots of weird and wonderful foods!

This term we have really got in to our rebound therapy sessions. It has been so lovely to see all of the smiles and giggles and how much each child enjoys their time on the trampoline.

We have had a brilliant year in Swansea class and it has been a pleasure to teach and get to know every single child in the class. Thank you to all of the parents who have supported us throughout the school year. It really does mean a lot to us!

Have an amazing summer holidays – remember you can upload any photos of anything you do over the summer to tapestry for the team to see!

## Some photos of our learning

## Dates to remember :

Wednesday 24<sup>th</sup> July – Last day of term

Wednesday 4<sup>th</sup> September – first day of the new school year!
