

# Classroom News

Class Name: Conway

Term : Summer 2 2019

What we have been learning

Some photos of our marvellous work this half term.

We've reached the end a very sunny term.

Forest school has been fantastic this term. We've been hunting for bugs, trying out new activities including a tree swing and water shoot! The weather has made a huge difference and everyone has thrived in an environment where we can play and communicate together over all the exciting activities!

It has also been noted, just how amazing Conway have been walking to and from forest school every week, showing great listening when crossing roads and great road safety!

At the end of June we had a visit from Swings & Smiles, who came in for an activity morning to share a story and sensory activities with us. We had a fantastic session based around *Bear Hunt* and was so brilliant to have Helen and Becky to join us for the morning.

Towards the end of term we have enjoyed a class cream tea outside in our playground. We have had different themed water play sessions in our outside area and we may have had the occasional water fight!

Sports day was a brilliant day for Conway, with some lovely efforts from everyone. Marwell Zoo was yet another terrific day out, thoroughly enjoyed by everyone!

Thank you all for your support this year. We hope you all have a fantastic summer and we look forward to seeing you in September!

Conway ☺
