

Classroom News

Class Name: Tiverton

Term: Term 1 2023-2024

Topic: Wonderful Me

What we have been doing this term:

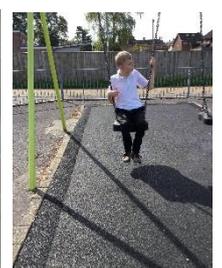

What a wonderful first half term we have had! The class have already become a fantastic team and it is wonderful to see the friendships blossoming.

Through the topic the class have focused on finding out about themselves, creating self-portraits in the park and clay tree sculptures in the woodland area. In Science the class have looked at the importance of teeth, how the ear works and how the eye works. The buzz in the lesson all about the eye, was wonderful. All were very shocked with how clever the eye is and the process taken. In Geography the class enjoyed finding out about London, using Google maps and a 360 interactive program. I feel however a favourite has been DT this term, designing their own ideal home on Minecraft. The designs are amazing and I hope to move soon 😊

In Maths the class have been focusing on number, looking at addition and subtraction as well as the number problems and patterns. Through English lessons, the class have looked at writing instructions and writing about themselves.

Through PSHE lessons the class have been focusing on playing with others and how to resolve any problems.

Some photos of us!

Dates & Points to remember:

Last day of term: Thursday 19th October

First day back: Monday 31st October

Trips –

7th November Cinema trip; The Rise of Gru

16th November Cinema trip; Paddington

6th December Panto at The Corn Exchange

14th December Winchester Science Museum
