Class Name: Cardiff Term : Autumn 1 2023

## What we have been learning:

Cardiff Class have had a busy start to the new year. Everyone has settled well into our new class.

Our topic for this term has been- All about me! We have been reading the book 'This is me!' which was written by George Webster from Cbeebies. The story explores everyone's differences and how we can spread our individual glows.

In Adventure Time, we have had lots of different activities available. The sensory opportunities, including flour, water, pasta and cornflour have bene a huge hit.

In cooking we have been exploring fruits. We have wee touching, smelling and even tasting them and then we used the fruits to make faces on a pancake.

Magic moments-

Thomas, you have been amazing in your music therapy sessions especially when you reach for the instruments to play them.

Emilia, you have settled brilliantly into life at Castle School. We love watching you explore all the sensory opportunities and how they help you to regulate.

Hrishi, you have made a fab start to your life at Castle School. You have been so kind and caring to your new friends and even helped them make choices by choosing symbols for them to choose from.

Lily, we are really proud of how independent you are and how much you are using your PECs book.

Hafsah, you have been incredible going into the pool for the very first time. Seeing your huge smile was so wonderful.

Aslan, you seem so happy to be at school. Your huge smile and happy outlook makes everyone smile too.

Well done everyone for a fabulous first term!
