

Classroom News

Class Name: Danby

Term: Term 1 2023-2024

Topic: Super Me!

What we have been doing this term:

Danby Class have had a fantastic start to the school year!

We started off our cooking lessons this term by learning all about kitchen safety. The pupils were able to identify hazards and suggest ways to reduce the associated risks. We then used a wide range of kitchen utensils to make many delicious foods! We enjoyed making (and of course, eating) brownies, cookies, pizzas and cheese on toast.

Our English work has been closely linked to our cooking lessons. We have been writing our own food reviews in order to evaluate the foods we have made. Within our reviews, we have been focusing on the correct usage of capital letters, punctuation and finger spaces.

Our topic this term has been Super Me! In topic, Danby have been getting to know one another by sharing their likes and dislikes, engaging in play and celebrating the ways in which our differences make us all unique. We have also spent some time discussing those people who are important to us, both at home and in the school environment.

Communication is a subject that every pupil has excelled in. We have been learning how to appropriately greet adults and peers, and how to have a reciprocal conversation with one another. Danby have been practicing their greetings with different members of the Castle school team and have received lots of positive feedback from staff around the school.

It has been wonderful to watch the pupils engage in play, make new friends and achieve so many brilliant things as they have settled into their first term. The Danby team can't wait to see what next term has in store. Well done everyone! 😊

Some photos of us!

Dates & Points to remember:

Last day of term: Thursday 19th October

First day back: Monday 30th October

Cinema Trip (Super Mario Bros): Thursday 9th November

Winchester Science Museum: Thursday 14th December

Pantomime: Wednesday 6th December
