Class Name: Balmoral

Term: Autumn 1 2023-2024

Topic: Marvellous Me!

What we have been doing this term:

It has been such a busy and wonderful first term back to school. We have spent lots of time getting to know each other and building relationships in the classroom.

In our English sessions we have been exploring a range of stories including 'The Colour Monster' and 'All About Me!'. More recently we have been using mirrors to explore facial expressions for different emotions. We have also been using colourful semantics to discuss pictures of our own learning in class, focusing on developing 'who' around our peers. We have also been using photos from home to talk about our families and our summer holiday experiences.

In Maths we have been focusing on number recognition and counting objects. We have also explored 2D shape, recognising shapes, sorting shapes and using shapes to build pictures which has been fab!

We have had a large focus on transitioning this term, moving to different areas of the school and building up regular routines. Everyone has been enjoying our regular walks around the track and our inclusion sessions with Chillingham Class.

It has been such a pleasure getting to know everyone over the last term and we look forward to a very busy and exciting term up to Christmas! We wish you all a very lovely half term.
