What's been going on?

We can't believe it's almost Christmas! Dover Class are really looking forward to a restful break after what has been a very busy term. The class have been working extremely hard and have made great progress both socially, and with their maths and English.

English

During our English sessions, we have focussed on speaking and listening, sentence writing and comprehension. The class learned the story of the Gunpowder Plot and why we celebrate on the 5th November. They then wrote their own bonfire inspired onomatopoeia sound poetry. On Remembrance Day, we watched the CBeebie's poppy an animation. They then produced some fantastic diary entries from the main character's point of view.

Maths

We have been learning all about 3D shapes and their properties. The class loved exploring and investigating 3D shapes by rolling, stacking and sliding them. It has been lovely to see everyone becoming a lot more aware of the shapes around them and using the correct mathematical terms.

Seasonal stuff!

Over the past few weeks, Dover Class have been busy preparing for the school's virtual Christmas pageant. The class have written, recorded and filmed their own version of 12 Days of Christmas. This involved recording tracks in our make shift recording studio and recording themselves in front of the green screen. Some students preferred to not be on camera so created some fantastic animations to be used in the film instead. The class are proud of the end product and can't wait to share their performance with the rest of the school.

Have a wonderful Christmas break and a very Happy New Year!

The Dover Team 😊
