

Classroom News

Class Name: Pembroke

Term: Christmas 2021

Topic: Jungle/Christmas

What we have been learning this term:

Some photos of us!

Merry Christmas from Pembroke class!

What a fun-filled term. We started with our topic 'Jungle', but we soon moved onto Christmas!

We have enjoyed Adventure Time, where there were many Christmas activities, including decorating the classroom, breaking toys free from ice blocks and making Christmas cards.

We also had a special visit from Buddy the Elf. He has been up to all kinds of mischief, including knocking the bins over and drinking the adult's coffee!

Swimming has been a firm favourite this term. We have seen lots of lovely communication during these sessions, and of course lots of giggles and smiles.

It snowed one weekend, and we had snow left in the playground. We had a good time making snowmen/ snowballs and throwing them at the adults!

Lego Therapy and Let's Connect have been wonderful sessions this term. The Lego Therapy group has really taken on the different roles, and what they have to do. The Let's Connect group have shown great anticipation, choosing and communication throughout.

We decorated the Christmas tree in the hall alongside other classes from Primary, whilst listening to Christmas songs.

We hope you have a lovely Christmas, and a very happy New Year.

Pembroke Team ☺

Dates & Points to remember:

Last Day of Term – Friday 17th December 2021
First Day back – Tuesday 4th January 2022
