Class Name: Cardiff Term : Christmas 2021

What we have been learning:

We have had another busy term. We have been working hard on our communication, using symbols, communication pages or books or verbal communication.

In English, we have looked at two books; Red rockets and rainbow jelly and Dear Santa. We have been matching symbols to objects from the story or matching identical symbols or beginning to create sentences using 'I see..' and a colour and object from the book.

In Maths, we have looked at sizes, exploring big and small and ordering items from smallest to largest as well as looking at 2D shapes.

In cooking, we have focused on mixing, rolling and cutting skills, to make bread rolls, jam tarts and mince pies. We were very proud of our bread rolls.

We have done lots of art using paint and glitter. We hope you like the end results when they come home.

A highlight of this term has been being able to go in the hydro pool. Everyone has loved being in the water.

We have also loved being able to go into soft play again and it has been a highlight of the week for lots of the pupils.

We wish you all a very happy Christmas and we'll see you in 2022.

Dates to remember-
Return to school Tuesday 4th January 2022
