## *What's been going on?*

This term has flown by, can't believe it's Christmas already! Farnham class have been amazing all term and have impressed us all with their continued efforts in everything they do!

This term we have been using pictures to create some amazing sentences. We have been identifying who is in the picture and what they are doing to start, then adding as much detail as possible. We have been able to work together in groups to support our friends and listen to each other's ideas.

We have loved sharing stories this term. Lots of students have chosen books they enjoy and read them to the whole class. Our favourites have been *We're Going on a Bear Hunt* and *Calm Down Boris* – both interactive stories for the whole class to enjoy and participate in.

With Christmas quickly approaching, we have been busy preparing for our virtual Christmas performance. The class have had lots of fun dressing up and performing their talents for Secondary house. We've especially enjoyed our class dance and Christmas song! We have done so well with practising and performing these for our friends.

Have a wonderful Christmas break and a very Happy New Year!
